

2026-2027

PROSPECTUS

MOUNT MOREH PUBLIC HIGHER SECONDARY SCHOOL

Canan Veng, Moreh Ward No. 7,

Tengnoupal District, Manipur, Pin-795131

Class XI & XII (Arts & Science)

(Learn, Lead & Shine)

PRINCIPAL'S MESSAGE

It is with great joy and enthusiasm that I write this first ever message for the maiden prospectus of our school, Mount Moreh Public Higher Secondary School, Moreh. This is the beginning of the future, the beginning of the many miles ahead on our endeavours to provide quality educational at the Higher Secondary Level in our own home town Moreh, Tengnoupal District, Manipur.

Moreh as a border town situated in the easternmost zone of the country has the potential to grow to greater heights. The Asian Highway passing through the town and connecting several ASEAN countries makes Moreh an important border town. To harness all these potentials to the maximum education plays a very important role. Quality education is the key. It is the foundation for all professions and walks of life.

Mount Moreh Public Higher Secondary School has a farsighted vision to produce disciplined citizens with high moral values who can shine at their personal and professional works. The school with its competent faculties and conducive environment for learning is a safe place for students learn and prepare themselves for brighter future. The school has the vision of producing learned citizens who can lead the society and the nation to prosperity.

I heartily welcome all the teaching and non-teaching staff and the students to this first academic session 2026-2027. Let us unitedly work together to fulfil the mission entrusted to us and achieve our vision. We pray that the Lord may kindly lead our path in this journey.

LAMZAHONG SUANTAK,
(M.A, M.Ed., Ph.D)
Principal,
Mount Moreh Public Hr. Sec. School,
Moreh

Brief Introduction

Mount Moreh Public Higher Secondary School, Moreh is located at Canan Veng, Moreh Ward No. 7, Moreh, Tengnoupal District, Manipur, India. Moreh is a border town located in the easternmost zone of the state of Manipur in India, bordering Myanmar on the other side.

The Mount Moreh Public Higher Secondary School is upgraded from Mount Moreh Public School which was established in the year 1995. The high school has a long-standing testimony of providing quality education to many denizens of Moreh and its surrounding. As the need for opening higher secondary section arises it is being upgraded to Mount Moreh Public Higher Secondary School this current academic year that is 2026-2027. For the current academic year admission to Class XI is open only for Arts and Science Streams.

Our Vision

The vision of our Higher Secondary School is produce learned and discipline citizens with high moral values who can shine in their personal and professional works to lead the society to greater heights.

Our Mission

- To create and maintain a conducive environment for academic excellence.
- To provide quality education to the students so that they can shine brighter in their future.
- To create avenues for all the students to choose a career of their choice and competence.
- To imbibe leadership quality and moral values amongst the students.

Our Core Values

- Hard Work and Faith in God for Success.
- Pursuit of Excellence and Moral Uprightness in Leadership.
- Love of Fellow Beings and Social Responsibilities in Human Relationship.

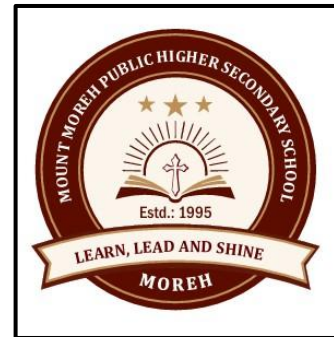

Our Prayer:

God our heavenly Father,

We thank you for this new day and the opportunity to learn. Guide and protect us throughout the day in all our endeavours. Help us to conquer the darkness of falsehood and ignorance with the light of truth and wis-dom. Bless our parents, teachers and all those who are dear to us. Amen

Our Logo:

The Higher Secondary school logo is thoughtfully design to bring out the educational philosophy and motto inscribed in the logo reads - Learn, Lead and Shine. The notebook stands for learning. The stars signifies leadership where students are trained to be future leaders of the society and nation. The cross and the halo of rays stand for spiritual guidance that helps students to shine in all their endeavors.

Our Special Features:

- Competent and Dedicated Faculties
- Safe and Conducive Learning Environment
- Integrated NEET-UG Coaching for Science Students
- Special Coaching for SSC and Other Competitive Examinations
- Remedial Classes and Academic Support for Weaker Students

Why Choose Us?

Mount Moreh Public Higher Secondary School is committed to providing quality higher secondary education in a safe, disciplined, and academically conducive environment. With competent and dedicated faculty members, the school focuses on concept-based learning, regular assessments, and individual academic support to help students achieve excellence in their studies and future careers. Along with academic growth, the school emphasizes moral values, leadership, discipline, and holistic development, nurturing responsible and confident young citizens prepared to face the challenges of the modern world.

Infrastructure and Amenities

1. Modern Library

Our library is the hub of intellectual activities, rich in reading materials and reference resources.

It provide the ideas and information fundamental to functioning successfully in today's knowledge-based society.

2. Computer & Math Labs

Computer Lab

Students are instructed on the basics of computer use to ensure a well-rounded education. We use educational software to help students learn key digital concepts.

Math Lab

This facility allows students to enjoy Mathematics by solving problems with concrete objects, showing how math relates to everyday life.

Science Lab

Our extensive science lab provides an experimental foundation for the concepts introduced in the classroom.

Students enhance their learning through varied experiments that kindle interest visually and kinesthetically.

Our well equipped science laboratories

CHEMISTRY LAB

PHYSICS LAB

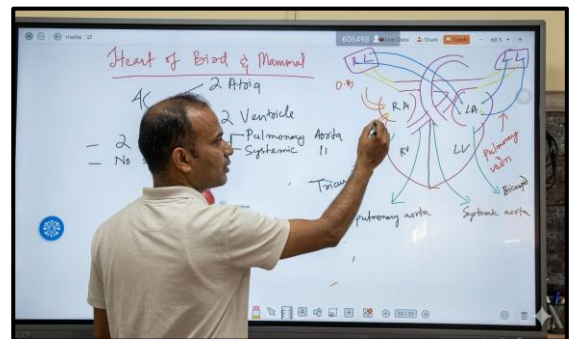

BIOLOGY LAB

DIGITAL BOARDS & SMART CLASSES

In today's competitive environment, students require advanced skill sets like concentration and rapid assimilation. At Mount Moreh Public Higher Secondary School, we have integrated interactive digital boards into our classrooms to meet these needs.

Our smart classes use engaging video modules and animated presentations to make complex concepts easy to understand. This visual approach makes learning enjoyable while significantly improving overall academic performance and student engagement.

Competitive Exam Preparation

We conduct weekly tests and periodic assessments to monitor progress. Our curriculum includes integrated coaching for NEET-UG, JEE-Main, SSC, and other competitive exams to ensure a brighter future

CO-CURRICULAR ACTIVITIES

FIELD TRIPS

Educational field trips provide students with practical exposure and real-world learning experiences beyond the classroom. These activities help students broaden their knowledge, develop observation skills, and enhance their understanding of academic concepts through interactive learning.

ART & CRAFT

Art and Craft activities encourage creativity, imagination, and self-expression among students. Through various artistic activities, students develop confidence, visual learning skills, decision-making ability, and teamwork.

SPORTS

Sports and physical activities are an essential part of holistic education. The school encourages students to actively participate in games and sports for their physical fitness, mental well-being, discipline, and team spirit.

MUSIC

The school provides opportunities for students to explore their musical talents through vocal and instrumental training. Music activities help students develop rhythm, confidence, creativity, and performance skills while participating in various school events and competitions.

DANCE

Dance activities help students develop self-confidence, creativity, coordination, and expressive skills. It also promotes physical fitness and provides a platform for cultural and artistic expression.

General Norms

(i) Working Days and Hours:

It is a day school. Regular classes will be held from Monday to Friday. The class timing is from 9:00 AM to 3:00 PM.

(ii) Medium of Instruction and Communication:

Mount Moreh Public Higher Secondary School, Moreh is an English Medium School. The Students and Teachers of the school will converse only in English in the school premises, and at other outdoor programs conducted outside by the school. Exception is made only for MIL classes and related activities where the use of vernacular is necessary.

(iii) Absence and Leave:

Absence with prior information and leave is not permitted except when the cause is sudden illness or untoward incidents. No leave of absence will be sanctioned nor will a student be allowed to go away from the school during the school hours without a prior written application for leave from his/her guardian, stating the valid reasons. Birthdays, Excursions, Festivals, Urgent Business, time to study for Examination etc. are not sufficient reasons for leave.

(iv) Test/Exams:

1. For the purpose of evaluation and to provide quality education, the school conducts Subject Enrichment Sessions, Class Tests/Chapter tests and Periodic Assessments as the need arises. Due to any unforeseen circumstances, if tests/exams are not held on scheduled date, the same will be held on the next working day, unless otherwise notified. Absence from all this type of tests will have adverse effect on promotion (XI promotion exam) or appearance in the public exam (HSSLC exam).

2. Unfair means in the exams/tests is strictly prohibited. Students indulging in those will severely be dealt with.

3. On matters of promotion and detention the principal's decision shall be final.
